Certificate of Compliance Number 11-407-C  
Valid to January 29, 2012

In recognition of the successful completion of the Audit Services evaluation process, a certificate of compliance is issued to the Plastics Group of America Testing Laboratory to perform the following tests on reinforced plastics. The scope of testing is for Plastics Group of America products

ASTM D1238	Production Melt Flow Rate
ASTM D790	Determination of Flexural Properties
ASTM D638	Determination of Tensile Properties
ASTM D256	Determination of Notched Izod Impact
ASTM D5420	Determination of Gardner Impact
ASTM D3641	Injection Molding of Plastic Test Specimens
ASTM D618	Conditioning Plastics for Testing
ASTM D6980	Determination of Moisture in Plastic by Loss in Weight
ASTM D692	Specific Gravity
Internal WI	Determination of Ash
Internal WI	Moisture Content of Pellets
