RE: TSCA - Control Act Inventory Notification (Active-Inactive) Requirements (July 2026 Listing)

To Whom It May Concern:

This correspondence is in response to your request for a statement regarding the TSCA Listing of chemicals utilized in the formulation and manufacture of Polifil® products.

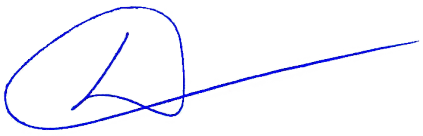

The Plastics Group certifies that all Polifil® products and components (chemicals) used in their formulation and manufacture are listed in the "Active" section of the TSCA Listing. They do not contain, nor are they knowingly produced with any substances currently on the "Inactive" section of the TSCA Listing. This is information is current as of the July 2026 TSCA listing.

The current TSCA listing can be found at: https://www.epa.gov/tsca-inventory/how-access-tsca-inventory

If you have any questions or need anything further please feel free to contact us directly at (401) 767-2700 or e-mail us at compliance@plasticsgroup.com.

Thank you for your continued interest in Polifil® products and services.
